

Bedlocker Electric®

Electric Retractable Truck Bed Cover

Easy remote control operation from up to 30 feet. (Includes two remotes).

Cover opens or closes completely in under 30 seconds - with the option to stop at any point.

Powerful electric motor with electromagnetic brake provides smooth operation and locks the cover into any position along the rails; no lock and key are required.

Convenient Remote Control!

Flush fit, aerodynamic design saves gas and provides a sleek low-profile appearance.

Bedlockers angled front canister is constructed of tough powder coated aluminum. To perfectly match the top cover and rails.

The Bedlocker's drive system incorporates a release lever that allows use of the cover in the event of a dead battery or lost remote.

Tough, powder-coated all aluminum panels with patented silicone hinges interlock for strength and flexibility.

Easy no-drill installation with Speed Clamps in an hour or less. (most applications)

Optional Accessories Include

ExplorerSeries rails - work with accessory racking systems

Contractor or Utility Racks - carry items above the cover

WeatherGate - Tailgate Seal

PowerGate - Electric Tailgate lock

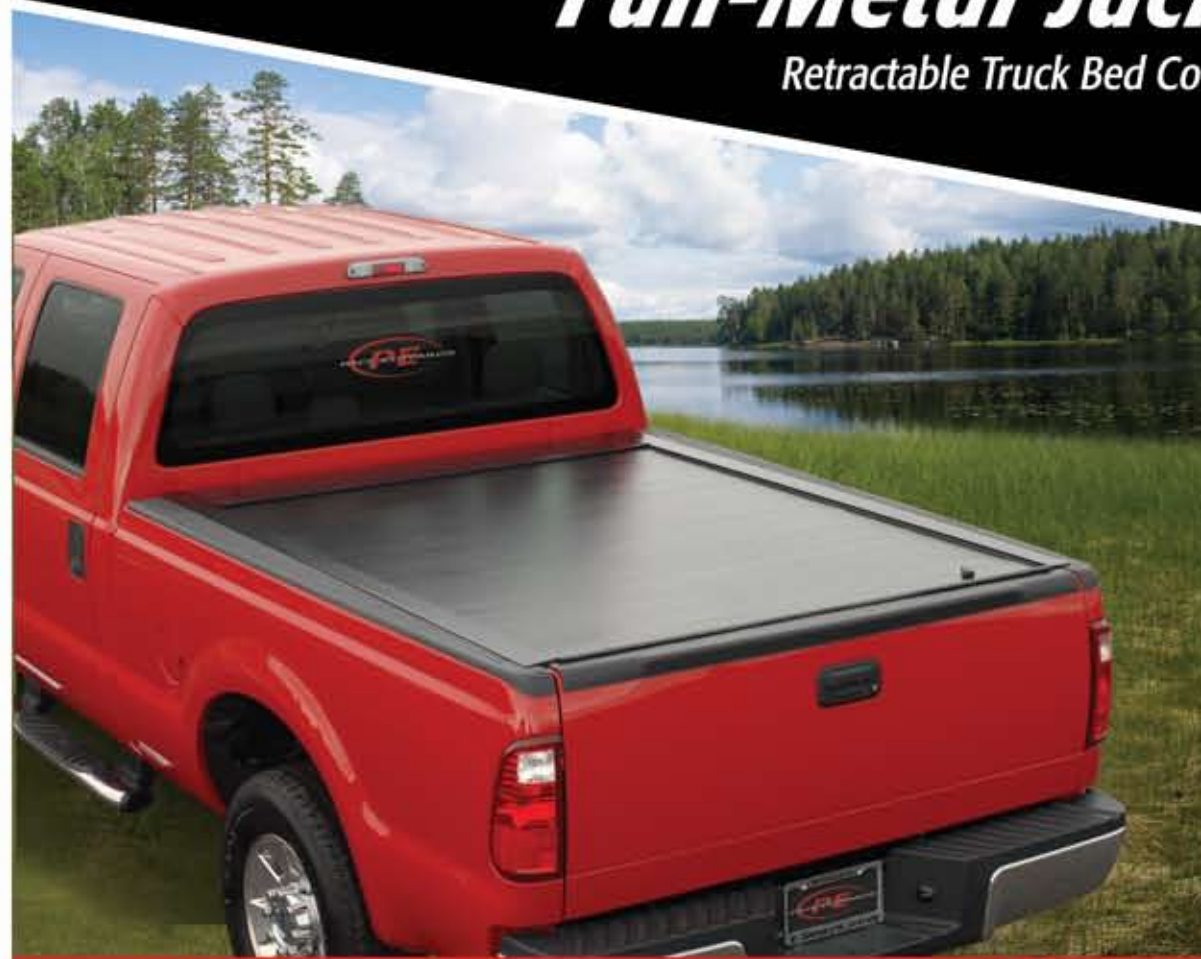

All Pace Edwards Products come standard with a:

3 YEAR WARRANTY

Full-Metal JackRabbit®

Retractable Truck Bed Cover

The JackRabbit Series Models are easily opened and closed and have the ability to latch and lock every 12 inches with a turn knob/lock mechanism that is offset to the drivers side.

The Full-Metal JackRabbit cover shares all the same features as the Original JackRabbit with the added quality of an easy to clean heavy duty all metal cover.

Constructed of
Powder coated aluminum panels!

Low profile canister design mounts at the top of the bedrail for a clean look that enhances the appearance of your truck.

Easy no-drill installation with Speed Clamps in less than an hour. (most applications)

Impact resistant angled front canister is constructed of thermoformed ABS, that resists dents. No additional bulky shields required.

Exclusive, Continuous Tension Spring allows cover to open automatically when the latch mechanism is turned. Closes easily with the use of a pull strap.

The full length handle groove and Latch n'lock knob offset to the drivers side permits easy access.

Optional Accessories Include

ExplorerSeries rails - work with accessory racking systems

Contractor or Utility Racks - carry items above the cover

WeatherGate - Tailgate Seal

PowerGate - Electric Tailgate lock

All Pace Edwards Products come standard with a:

JackRabbit®

Retractable Truck Bed Cover

The JackRabbit Series Models are easily opened and closed and have the ability to latch and lock with a turn knob/lock mechanism that is offset to the drivers side.

Turn the turn knob and the cover will automatically retract open into the canister. Pull on the pull strap to engage the latches which latch every 12 inches along the rail.

Constructed of

Polymer vinyl over aluminum panels

Low profile canister design mounts at the top of the bedrail for a clean look that enhances the appearance of your truck.

Easy no-drill installation with Speed Clamps in less than an hour. (most applications)

Impact resistant angled front canister is constructed of thermoformed ABS, that resists dents. No additional bulky shields required.

Roll-Top-Cover®

The Original Retractable Truck Bed Cover

Constructed with weather resistant, padded polymer bonded to rigid aluminum panels. This surface provides hard cover security with a "soft top" look.

With the help of the Continuous tension spring the cover retracts smoothly in a canister at the front of the truck bed to maximize cargo capacity.

The Roll-Top-cover locks with a key at the tailgate and about halfway down the rails.

The First Retractable Truck Bed Cover!

Constructed of Polymer vinyl adhered to aluminum panels.

Weather protected, single lock. Locks into position with the key at the tailgate to protect the items stored in your bed.

Raised top cover allows for a smaller canister design.

No-drill, clamp-in design is available as an option for most applications.

Optional pull strap kit and handle insulator available.

Optional Accessories Include

Clamp Kits - provide a no-drill option for most applications

Pull Strap Kit - conveniently close cover from the tailgate

WeatherGate - Tailgate Seal

PowerGate - Electric Tailgate lock

All Pace Edwards Products come standard with a:

Retractable Utility Bed Cover

Protects the cargo in your bed!

Accessories

Retractable Truck Bed Cover

Explorer Series Rails

Easily add accessories above your truck bed cover

Increase cargo capacity above the retractable cover with the ExplorerSeries rails. These heavy duty rails work with the JackRabbit®, Full-Metal™ JackRabbit® and Bedlocker® Electric covers and accomodate many brands of racking components.

Utility Rig Rack

Transport oversized cargo in the bed or above it with our rugged rack systems, specifically designed to work with the Pace Edwards covers with explorer series rails.

Aluminum trusses make hauling long cargo above the bed easy

PVC insert on Utility Rig crossmembers reduces friction when loading and unloading

Rear truss is removable when you need to haul large items in the bed

Contractor Rig Rack

From the busy contractor to the do-it-yourselfer, this heavy-duty rack system is built tough for long lasting performance.

Professional quality system comes standard with four work winches

Aluminum extension beams support longer loads

Durable stainless steel fasteners on all components

Rust-proof rack system with removable rear crossmember has adjustable handles for easy loading of taller items in the bed

WeatherGate

Rubber seal designed to keep out extreme dust & moisture.

Universal application conforms to any tailgate.

PowerGate Tailgate Lock

Make your truck bed totally secure by installing one of our electric tailgate locks along with your cover.

Cleaner & Protectant

Vinyl Cleaner recommended for use on JackRabbit Original and Roll-Top-Cover

CUSTOMER SATISFACTION

Pace Edwards Retractable Truck Bed Covers provide secure storage to maximize your truck's hauling potential. Simply close and lock the cover to protect cargo and improve aerodynamics for increased fuel efficiency. Covers roll and stow inside a durable, flush fitting canister behind the cab. Our no-drill system provides quick, easy clamp on installation. These rugged, retractable truck bed covers are designed to accommodate fifth wheel hitches, with plenty of room to store tools and additional cargo.

From the original Roll-Top-Cover, to the JackRabbit, Full-Metal JackRabbit, and Bedlocker Electric all models are covered with Pace Edwards' 3-year "No Worry" warranty, and are installed and serviced by North America's largest dealer network.

www.paceedwards.com

At Pace Edwards we are confident you cannot find a higher quality cover on the market. So confident, in fact, that we are the only retractable truck bed cover manufacturer to provide a 3-year warranty! Standard on all Pace Edwards covers our No Worry warranty provides coverage on all components for 3 years after you purchase. Contact Pace Edwards or an authorized installer for full details.
