

These premium Retractable Truck Bed Covers work with our Commercial Rack Systems. These covers install easily without drilling on most models.

## Full-Metal JackRabbit® and the Original JackRabbit®

### BedLocker® Electric

- Remote control operation
- Opens or closes completely in under 30 seconds – stops at any point
- Release lever allows access in the event of a dead battery or lost remote
- No-drill installation with patented Speed Clamps

### FULL-METAL JACKRABBIT®

Full-Metal JackRabbit's tough, black powder-coated aluminum deck is constructed with patented, interlocking silicone hinges for strength and flexibility.

### JACKRABBIT®

JackRabbit's deck is constructed with weather-resistant, padded polymer bonded to rigid aluminum panels. This ArmorTek™ surface provides hard cover security with a "soft top" look.

### Full-Metal JackRabbit and the JackRabbit share these features:

- Low profile Latch n'Lok™ handle is offset to the driver's side to permit easy access
- Built-in pull strap engages the latch at 12" intervals along the side rails. Cover can be latched or locked in any one of these positions
- Easy no-drill installation in less than an hour
- LoPro canister design mounts at the front, allowing full use of the truck bed

# Let's Roll!

**Pace Edwards Retractable Truck Bed Covers** provide secure storage to maximize commercial truck and fleet hauling potential. Close and lock the cover to protect cargo and improve fuel efficiency. Covers roll and stow inside a durable, flush fitting canister behind the cab. These rugged, retractable truck bed covers are custom built for service trucks and oversized loads, with plenty of room to store tools and additional cargo.

From the original Roll-Top-Cover®, to the JackRabbit®, Full-Metal™ JackRabbit®, Bedlocker® Electric and Utility Bed Cover, all models are covered with Pace Edwards' **Industry Leading 3 Year Warranty**, and are installed and serviced by North America's largest dealer network.

Maximize hauling capacity for work trucks and fleets with versatile Retractable Truck Bed Covers from Pace Edwards.

PACE EDWARDS Commercial Fleet Products

Retractable Truck Bed Covers

# Hard Working and Ready to Roll

Check Out Our Industry Leading 3 Year Warranty!

Durable Pace Edwards Commercial Fleet Products are a reliable solution for work-site truck security with maximum versatility. Tools and equipment lock away safely with full truck bed functionality. Transport oversized cargo in the bed or above it with our rugged rack systems, specifically designed to work with the BedLocker®, Full-Metal™ JackRabbit® and the JackRabbit® Retractable Truck Bed Covers.

### EXPLORER SERIES™ RAILS

Our Utility and Contractor rack systems with Explorer Series™ Rails increase cargo capacity above the retractable cover. These heavy-duty rails accommodate many brands of racking components.

### Utility Rig Rack System

- Aluminum trusses for exceptional front to rear stability
- Durable stainless steel fasteners on all components
- PVC insert on rig crossmember reduces friction when loading and unloading
- Removable rear truss for hauling large items

Utility Rig Rack with JackRabbit®

### Contractor Rig Rack System

From the busy contractor to the do-it-yourselfer, this heavy-duty rack system is built tough for long lasting performance.

### WORK WINCH™

This tough tie-down system secures large loads to the rack.

- Designed for use with Pace Edwards Retractable Truck Bed Covers
- Professional quality system
- Aluminum extension beams support longer loads
- Durable stainless steel fasteners on all components
- Rust-proof rack system with removable rear cross member has adjustable handles for easy loading
- Includes four work winches to secure large loads to the rack

### Contractor Rig Rack with Full-Metal™ JackRabbit®

### Retractable Utility Bed Cover Available in Manual & Electric

- Designed specifically for service body applications, fits most 8' and 9' models
- Secure, attractive storage for tools and equipment
- Made of tough, black, powder-coated aluminum panels, interlocked for strength and durability
- Cover retracts into a front canister for full, easy access to the truck bed
- Fully secure when closed even when the tailgate is unlocked

### Electric Cover Features

- Electromagnetic brake locks the cover in any position
- Drive system release mechanism allows opening during a power failure or emergency
- Patented silicone weather hinge provides a tight seal between aluminum panels
- Operating switch can be located in the cab, an exterior locking compartment or both

### Manual Cover Features

- Heavy-duty spring helps retract the cover smoothly
- Built-in pull strap engages the latch at 12" intervals
- Mechanical weather hinge provides a tight seal between aluminum panels
- Independent latch and lock handle system offset to driver side

### Retractable Utility Bed Cover
